# willis towers watson network

Erimus insurance brokers are members of the Willis Towers Watson network, which ensures that our clients get the best of both worlds in dealing with a privately owned independent insurance broker, with access to the global resources of a top 4 international business.

## access to market

Willis Towers Watson network provides us with access to dedicated underwriting teams and the benefit of the global buying power of the Willis Towers Watson brand.

Positive insurer relationships are a key element in our ability to offer our clients a competitive service and access to a wide range of products and services. Being part of the Willis Towers Watson network helps us to strengthen our insurer relationships and enhance our offering with exclusive products, enhancements and policy terms.

## premier partner status

As a member of the Willis Towers Watson network we benefit from premier partner status with a panel of market leading insurers, ensuring that we receive the very best in service from our insurer partners.

We have access to expert underwriters and exclusive products whilst retaining total independence in where we place business, meaning that our clients benefit from dealing with us.

## unrivalled insurer contact

Willis Towers Watson network have a dedicated team managing insurer relations and whilst we have direct access to key decision makers, the long term high level relationships that have been built by Willis Towers Watson over two decades, ensures that our insurer suppliers are able to provide the support needed for Erimus to deliver a truly first class service.

The Willis Towers Watson in-house market security team continually monitor our insurer partners to ensure that our clients are dealing with financially secure markets.

**erimus insurance brokers** are a division of Teesside insurance consultants ltd, who are authorised and regulated by the financial conduct authority.

# gateway to willis towers watson

As a member of the Willis Towers Watson Network we are able to utilise the global and technical resources of Willis Towers Watson, a top 4 global insurance broker

We have worked in partnership with Willis Towers Watson on many occasions for the benefit of our clients, including:

- Accessing specialist London market practices such as Mergers & Acquisitions
- Working with industry specific specialists such as Chemical & Pharma
- Placement of business outside the UK for our clients overseas operations and joint ventures
- Obtaining terms for an Oil & Gas client which was only available in the US market

Our clients benefit from the personal service of a privately owned regional business, backed by the resources of a global business – ‘the best of both worlds’

Whenever the need arises, we will call upon the services of Willis Towers Watson specialist advocates to provide bespoke technical advice for the benefit of our clients.
